

**EUROVELO AND CYCLE TOURISM
CONFERENCE 2018**
LIMBURG BELGIUM, 26 - 28 SEPTEMBER
EXPERIENCE THE UNIQUE

Aleksander Buczynski

Aleksander Buczynski, Infrastructure Officer at the ECF, will be the last speaker in this session. He will introduce the lobbying work that ECF does on the European Road Infrastructure Safety Management (RISM) and the latest developments regarding the update of the RISM directive. His presentation will include examples of good and bad practice from the Trans-European (TEN-T) road network, how they are affecting cycle highways and cycle tourism, and how better RISM framework could help the development of both of them.

Aleksander, from Poland, started with studies in Mathematics and Natural Sciences, and a Master's degree in Computer Science at the University of Warsaw. The last 8 years before joining ECF he worked at the General Directorate for National Roads and Motorways (Polish national road administration), on cycling projects and road safety in general.

Aleksander will give a presentation titled “Road Infrastructure Safety Management, cycle tourism and cycle highways” in parallel session B – Cycle Highways and Cycle Tourism: Is There a Synergy? (11:15-12:45).
